

Land to let

7.69 hectares at Keadby

The Board have 7.69 hectares (19 acres) of grassland each side of the Warping Drain at Keadby which is available to let, either on a seasonal grazing license or a Farm Business Tenancy.

The land is only suitable for sheep or goats, the site is either side of the watercourse so adequate water is available.

The grassland is ideal for low input management with a maximum of 50 kg/ha nitrogen per year as inorganic fertiliser.
