

# Isle of Axholme and North Nottinghamshire Water Level Management Board

## MISSION STATEMENT

Accountable Officer:	Chief Executive
Approved by:	Board - 10th May 2011

The Isle of Axholme and North Nottinghamshire Water Level Management Board delivers a sustainable, efficient and cost effective service focussed on the management of flood and water levels for the benefit and protection of people, property, land, infrastructure and the environment.

To realise these aims the Board will:

- Fulfil its role as a competent Flood and Coastal Erosion Risk Management (FCERM) authority.
- Play a full part in the North Lincolnshire Flood Forum and Bassetlaw Drainage Group.
- Have a district role working with other relevant authorities.
- Be the 'delivery partner' of choice for the Lead Local Flood Authority, District Councils and the Environment Agency.
- Build capacity and adjust to deal with new challenges as they arise.
- Adapt in the face of climate change and economic certainty.
