

Trent Valley Internal Drainage Board *Water Management Consortium*

LAND DRAINAGE OPERATIVE

FLAILMOWER DRIVER

Salary: £30,035.20 to £30,608.24

Full Time, Permanent

38 hours per week (plus overtime subject to workload)

Holidays - 23 days rising to 27 over five years

All bank holidays and three additional statutory days

NEST Pension Scheme - 6% Employer contribution.

A vacancy has arisen for a Land Drainage Operative to join a small team working across the Trent Valley area, providing flood protection and water level management for the local communities. This will be based predominantly at our Orston Depot but will involve working on site across the district.

The role will involve weed clearance of watercourses using a tractor mounted flailmower during the summer and reforming, improvement, construction and tree works during the winter. The ability to work on your own initiative in a responsible and safe manner is essential.

Full driving licence required. Experience in tractor/flail driving essential. CPCS/NPORS excavator, NPTC chainsaw and spraying qualifications would be an advantage.

The Board also provides 24/7 emergency response and in the event of flooding or heavy rainfall, staff may be called upon to respond; this could involve working weekends and unsocial hours on occasion. Ideally, candidates should be within a half hour commute from the Orston depot.

An application form and job description can be downloaded from the jobs page of our website. For more information, please contact Amy Quirke on 01507 328095.

Completed application forms should be returned to enquiries@lmdb.co.uk.
